About This Product. Introducing RYOBI's first lithium-ion battery powered Riding Lawn Tractor, the RYOBI 80V HP 42" Lithium Electric Riding Lawn Tractor. 80V HP Technology combines brushless motors, advanced electronics, and lithium ...

Our revolutionary 80V / 400Ah Lithium-Ion Conversion Kit (Model - MHLi80400) is set to transform the way you power your Material Handling Equipment (MHE). With the ability to convert your existing Lead-Acid Battery into a cutting-edge Lithium-Ion Battery, our kit ensures long-term savings and superior performance.

Yes, an 80V system is generally considered better than a 40V system for applications requiring more power and efficiency. The higher voltage allows for reduced current draw, which minimizes energy loss and enhances performance. Additionally, 80V systems can support larger motors and provide longer runtimes for battery-powered tools and equipment. ...
