Can I Recycle my old electronics at Best Buy?

Regardless of where you bought it, how old it is or who made it, you can bring your tech to any Best Buy store to have it recycled. If you don't live near a Best Buy store, you can choose to mail in your old electronics and we'll take care of the recycling for you. You can also make the most out of your old tech with our trade-in program.

Can I trade in my Old Tech at Best Buy?

You can also make the most out of your old tech with our trade-in program. Simply redeem your tech by sending it in or bringing it to a participating store for a Best Buy gift card that you can use to upgrade to the latest tech. Here's what you should know before bringing your electronics in to your local Best Buy:

Can I trade in my old electronics?

You can try this yourself; simply use the SellCell device model search box on the homepage to search for any device make and model that you are looking to trade-in. Alternatively, you can set up a tech trade-in price alert to keep track of any electronics you may want to sell in the future. What if my old electronics are broken?

Can I trade in my Old Tech for a gift card?

Making the most of your old tech is easy. When you're ready to upgrade, we can take your old tech and keep it out of landfills. Check our trade-in estimator below to see what your item is worth, then trade it in for a Best Buy Gift Card you can use to upgrade to the latest tech. Let's lighten the landfills.

How much does it cost to ship a trade-in device?

There is no cost to ship your item, although you'll need to provide your own packaging (we recommend reusing an old Amazon box!). We'll send you a prepaid shipping label to print out. Or if you prefer, you can bring your Trade-in device to a participating location for free, and skip the effort of boxing it up or printing a label.

How do I trade in a device?

On the Trade-In landing page, select the promotional discount you want for your Trade-in. Do not deregister the device (s) you want to trade in until after you have created your trade-in order. Next, select the item (s) you're trading in. Trade-in products must match the exact model on the device selection screen.
