

## Foreign full battery charging cabinet

## 

By choosing our Battery Charging Cabinet, you equip your facility with the best in battery storage safety, ensuring secure and efficient handling of lithium batteries in power tools and similar devices. Please note: These cabinets are vastly different from single-walled steel cabinets as they are manufactured to the standard EN 1363-1.

The 4 Station Lithium-ion Battery Charging and Storage cabinet has 4 power sockets for you to plug in 4 lithium-ion battery chargers, that's four batteries per compartment. Each compartment is insulated completely, all around like in a kiln, with 1260 degree C continuous rated HotWall insulation. We are aware that exploding batteries light up neighbouring batteries and we don't ...
