

# Glass fiber battery separator production line manufacturers

Ours is a manufacturer special in glass fiber separators (with glass mat) for 8 years. The geography market is China, south-east Asia, south Asia, south America etc. The separators enjoy the advantages of low resistance, high aperture ratio, high temperature resistant, strong in antioxidation, etc.

**Product Description** Fiber Glass Battery Separators are the best and universally trusted separators for lead acid battery. Its a combination of agm with fibreglass tissue, mostly 1.7mm thickness and cut into the sizes needed. These Fiber Glass Battery Separators are available at industrial leading price

We have 5 separator factories & 3 micro glass fiber raw material plants. The separator factories can reach capacity of 30,000 tons per year, which is the largest professional manufacturer of AGM Separator with the most production and sales volumes in the world. Rije Group is a main drafting unit of China Lead-acid Battery AGM Separator ...

We're one of the most professional glass fiber battery separator manufacturers and suppliers in China, featured by quality products and competitive price. Welcome to contact our factory for more details.
