

Turkish polymer lithium battery manufacturer

Where does Mutlu battery meet customers?

With a broad product range in the automotive and industrial groups, Mutlu Battery meets customers at its sales points across Turkey. As one of the largest battery manufacturers in Turkey, the Middle East and Eastern Europe, Mutlu Battery continues to represent Turkey in the best way possible in over 80 countries on six continents in global markets.

Who is Mutlu battery?

Why Mutlu Battery? Tepe Mahallesi, Eski Ankara Asfaltı Cad. No:21034959 Tuzla - Istanbul Mutlu Battery, the technology and export leader of the battery industry, is always with you wherever you are!

How many batteries does Mutlu battery produce a year?

Mutlu Battery today has a production capacity of six million batteries per year, and it continues its operations in a place established on a land of 23 hectares, which is enhanced to world standards through the technology investments it made.

ASPILSAN Enerji Lithium Ion Battery Production Facility, which has a closed area of 25 ...

From 3.7V Li-ion battery packs to custom polymer solutions, YOK Energy delivers reliable, efficient, and cost-effective options. Our battery technology is designed to be safe while driving functionality and performance. We use only the highest quality materials and components, and our rigorous testing procedures ensure that our rechargeable lithium batteries meet or exceed ...

Turkey: Browse through 5 Manufacturer producer in the lithium battery cells industry on Europages, a worldwide B2B sourcing platform.

EAS Battery stands out as a leading lithium ion battery manufacturer in Turkey, with its headquarters in Istanbul. The company was established in the late 1990s and has since expanded its product range to include advanced 200ah lithium batteries and 12v lithium batteries.
