What battery pack do you use on a Q3?

Ankeris the best, and they're reasonably priced. If it's over 18w it will keep the Q3 fully charged while playing. I use a PrismXR Carina W1, it's a battery pack that I wear around my waist, boasting a hefty 10,000mAh capacity and the ability to charge at a rapid 30WPD. I use a BOBOVR M2 Pro that I had on my Q2.

Can a USB-C port hold a quest 3 battery?

One critical factor is making sure that the USB-C port can supply at least 3A(many do not). Make sure whatever pack you have can supply at least that. With a 3A capability, it holds the Quest 3 battery at whatever every level it starts with until the pack runs down, then it used the Quest 3.
